"Live Like a Warrior"

Feel like the world don't love you
They only want to push you away
Some days people don't see you
You feel like you're in the way
Today you feel, as if everyone hates
Pointing their fingers, looking at your mistakes
You do good, they want great
No matter what you give they still want to take
Give your love and they throw it back
You give your heart they go on attack
When there's nothing left for you,
Only thing that you can do, say

(Chorus)

Today, today, live like you wanna,
Let yesterday burn and throw it in a fire, in a fire, in a fire,
Fight like a Warrior,

(Chorus)

Some things you should let go, they're only gonna pull you down,
Just like weight on your shoulder they are only gonna make you drown
We all swing high, we all swing low,
We all got secrets people don't know
We all got dreams we can't let go,
We want to brave, Don't be afraid
Ohh

(Chorus)

(Chorus)

Your heart is too heavy from things you carry a long time,
You been up you been down, tired and you don't know why,
But you're never gonna go back, you only live one life
Let go, let go, let goooooo, Let go, let go, let goooooo,

(Chorus)

(Chorus)

"Brighter Days"

Time keeps moving on
Through the sunshine and the storm
And my dreams are set in stone
And someday I'll be who I want to be
For now I'll wait
For the sun to shine again
And for now I'll wait
For the rain to pass away

And I'm looking for the brighter days
When all my hurts seem to fade away
I'm looking for the brighter days to come my way

Faces come and faces go
But none seem to look my way
And walls have stood and walls have fallen
But my heart seems to wait
For now I'll sit at the end of the road
And for now I'll wait
At the end of the pathway

I'll see the sun one day shine upon me
I'll see the sun one day
And watch the nighttime turn to morning
But for now it all comes back around

"Keep Holding On"

You're not alone
Together we stand
I'll be by your side, you know I'll take your hand
When it gets cold
And it feels like the end
There's no place to go
You know I won't give in
No I won't give in

(Chorus)

Keep holding on
'Cause you know we'll make it through, we'll make it through
Just stay strong
'Cause you know I'm here for you, I'm here for you
There's nothing you could say
Nothing you could do
There's no other way when it comes to the truth
So keep holding on
'Cause you know we'll make it through, we'll make it through

So far away
I wish you were here
Before it's too late, this could all disappear
Before the doors close
And it comes to an end
With you by my side I will fight and defend
I'll fight and defend
Yeah, yeah

(Chorus)

(Bridge)

Hear me when I say, when I say I believe
Nothing's gonna change, nothing's gonna change destiny
Whatever's meant to be will work out perfectly
Yeah, yeah, yeah, yeah

La da da da
La da da da
La da da da da da da da da

(Chorus)

Keep holding on
Keep holding on

There's nothing you could say
Nothing you could do
There's no other way when it comes to the truth
So keep holding on
'Cause you know we'll make it through, we'll make it through

KUTLESS LYRICS

"Winds Of Change"

Can you feel the pains in life?
Wrapped around you like they're chains
Restricting all your dreams
Do you wonder if there is a way?

A way to set you free
Set you free

(Chorus)

So tell me all your dreams
Tell me all your fears and what you're longing for the most
It's not another way that'll end up the same for it's under my control

Do you feel the winds of change
Soon this weight will fall away
And take you to a place
Only found through these winds of change

A breeze that's new and free
New and free

(Chorus)

I'll be the one who you can cry to
The one who will give you wings
I will give you wings

(Bridge)

Someday we'll sail away
Mounted up on wings like eagles
We will run and will not fade away

(Chorus)
