Student Announcements

- The students who are speaking at Martins Creek School today need to meet in Ms. Herr's room at 12:45 PM.
- Six-block schedule students, if you have not taken the pre-survey for Stacked Deck, please see Ms. Herr for a copy and complete it this week. All students participating in Pacesetters need to complete the permission form if you haven't already. See Ms. Herr or Mr. Gaither for another copy.
- The "Energized Guyz" told us on Monday how to get a free energy kit for your home, including a free CFL lightbulb, low-flow showerhead, and more! The school that requests the highest percentage of kits earns \$5,000!

Faculty/Staff Information

- Weekly Duty — Cafeteria: Herr; Hallway: Davenport
- Teachers, please excuse the following students at 12:45 PM today to speak at Martins Creek School: Alston Fillio, Alex Harper, Megan Hicks, Sam Kendrick, and Heather Tillmes. They will return by 2:15 PM.
- Thank you for recently hosting the National Theatre for Children (NTC)'s performance of Duke Energy's "The Energized Guyz - Powered Up" at your school! We'd like to ask you to remind the teachers who saw the program to go to Playworks.com and fill out an evaluation using the code *Duke1W13M*. Each teacher who fills out an evaluation is entered in a drawing for \$250 of free books for their classroom!
- Upcoming events:

Quote of the Day

“Good teaching is one-fourth preparation and three-fourths pure theatre.”

– Gail Godwin

Apple iPad App of the Day: NearPod

Nearpod was named “Best Collaboration Solution - EdTech Digest Awards 2012”, “Audience Favorite - LAUNCH Edu & Kids 2012.”

Experience for yourself this magical educational app that has been downloaded more than 200,000 times in less than 5 months.

Nearpod is a must-have application for teachers and schools that have access to a set of iPads, iPods or iPhones for their classes.

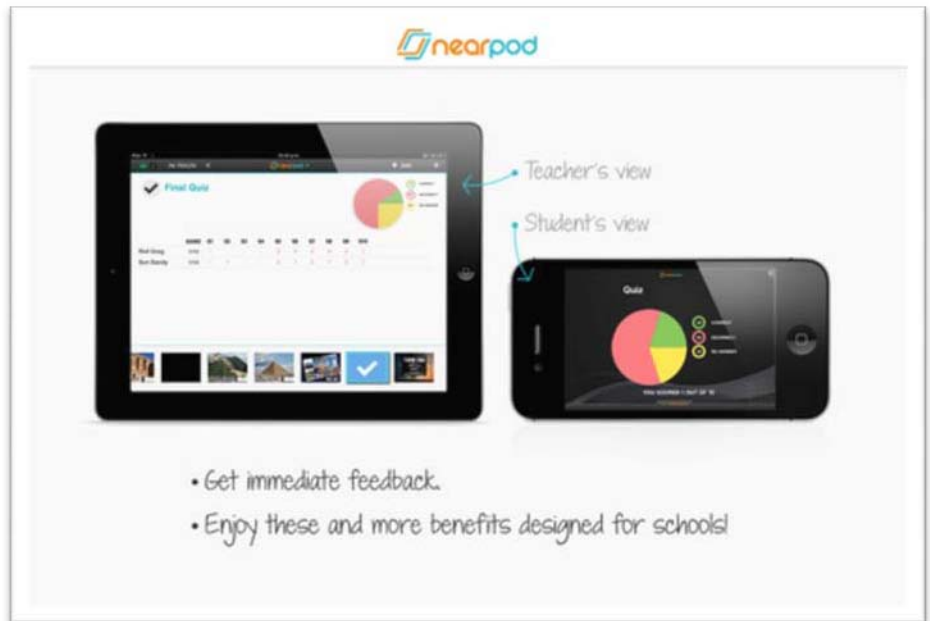

What's Nearpod?

The Nearpod platform enables teachers to use their iPads to manage content on students' iPads, iPhones or iPods. It combines presentation, collaboration, and real-time assessment tools into one integrated solution.

Before You Start

Nearpod is a synchronous solution for the use of iPads, iPods and iPhones in the classroom. To try Nearpod, you will need one iPad and at least one other device (iPad, iPhone, or iPod touch), both running Nearpod. All devices should be connected to the Internet.

To create an account or log in as a teacher you need to download the Nearpod app on an iPad. The

Nearpod app for iPhone or iPod allows student access only.

How It Works

- Teachers use Nearpod to share content with their students and to manage the flow of the lecture.
- Students use Nearpod on their iOS devices to receive multimedia content and to participate in engaging assessment and collaboration activities.

Nearpod allows teachers to:

1. Create Content: Teachers log in to www.nearpod.com to create multimedia presentations with interactive features such as quizzes, videos, polls, drawing tools, and more. They can also access featured presentations from certified publishers and fellow educators.

2. Engage: In the classroom, teachers log in to the Nearpod iPad app to share content with their students and manage the flow of the lecture. Students use the Nearpod app on their iOS devices to receive curricular content, participate in activities and submit responses.

3. Assess: Teachers can see students' answers in real time on the Nearpod app. Additionally, teachers can log in to www.nearpod.com to access post-session data and obtain detailed activity reports.

Download Nearpod now and sign up for a FREE account to start experiencing the magic of Nearpod!
