

Congratulations to the graduates of the high school Classes of 2013.

You have worked very hard for many years to achieve this distinction. You should be proud of all that you have accomplished in school, culminating in your final walk across the stage to receive your diploma. While you are closing a chapter in your life, you are beginning a new one, one that will lead you on to college or to your chosen vocation. It is important that you pause for a moment in your journey to reflect on this significant achievement and take the time to celebrate your success. I encourage you to be bold, aim high and pursue your dreams. As the American poet Ralph Waldo Emerson said, "We are all inventors, each sailing out on a voyage of discovery, guided each by a private chart, of which there is no duplicate.

The world is all gates, all opportunities." On behalf of your school faculty, administration and the Board of Education of Cherokee County Schools, we wish you the very best in all your future endeavors.
